Connect to the entire office with wired or wireless network

Offering flexible network capability, the wired and wireless Brother ADS-3600W desktop scanner enables documents to be scanned directly to a network folder location, so that documents can be shared across teams and departments with ease.

9.3cm touchscreen for easy one-touch scanning

Everyday scan jobs and frequently scan-to destinations can be pre-configured for effortless scanning, saving time and reducing errors. Up to 48 one-touch shortcuts can be created on the colour touchscreen to scan to PC, web, network, SFTP, email server, SharePoint, Apps, WS Scan and USB Host.

Process mixed media with professional results

Whether it's 2-sided A4 contracts, expense receipts, plastic ID cards or extra-long paper, you can easily output scans as searchable PDF, email attachments or even scan directly to USB flash drives.

Robust yet desktop friendly

The Brother ADS-3600W is ideal in a busy office space. Its desktop friendly size and robust nature makes this scanner a great choice for both back-office use and customer-facing environments.
